

BOTEK +

GREASE TRAY & SEPTIC TANK

MAINTENANCE

7 good reasons for using BOTEK+

1. Concentrated formula with **micro-organisms** in a water-soluble pouch. Digests greases and organic matter efficiently.
2. Highly activated **biological** powder containing microorganism cultures, enzymes and nutrients and enriched with trace elements.
3. Reduces the frequency of **grease trap emptying**.
4. Easy-to-use: **no dosing system** needed.
5. BOTEK+ is **not classified** as hazardous for the user. Conforms to 2000/54/CE standard.
6. Totally **no-corrosive** to surfaces and eco-friendly.
7. Eliminates bad **odours** at the source generated by anaerobic, sulfate-reducing bacteria present in the areas to be treated.

Particularly suitable for use in

Agri-food industry

Industry

Food service trade

Institutions

Biological liquefaction that promotes the decomposition of fats and all organic waste from proteins, sugars, starch, dairy, and cellulose.

Cleans and maintains drainage pipes, grease traps, sump, and septic systems.

Specifically formulated for restaurants, hotels, commercial kitchens, hospital cafeterias, nursing homes, medical facilities,

Characteristics	Instruction for use
<p>Appearance: off-white powder</p> <p>Packaging: water-soluble sachet that dissolves in water.</p> <p>Box of 25x200g sachets</p> <p>For more information, see MSDS.</p>	<p>SEPTIC TANKS</p> <p>For a 1 m³ septic tank :</p> <ul style="list-style-type: none"> - Seeding (initial treatment): 3 packs into the septic tank - Maintenance: 1 pack every fortnight in the toilet <p>GREASE TRAYS</p> <ol style="list-style-type: none"> 1) Empty grease trap before treatment 2) Tank seeding: add 3 to 4 packs per m³ as a starter treatment in the grease trap. 3) weekly maintenance treatment <ul style="list-style-type: none"> - from 0 to 250 meals per day : 1 pack - from 250 to 500 meals per day : 2 packs - from 500 meals and more per day : 3 packs <p>For best results, dissolve the packs in a small amount of warm water (around 30 °C). The pack will dissolve in 5 minutes. Pour the solution directly into dishwashing sinks upstream of the grease trap, kitchen drains or pipes.</p>
