

GELOROUGE

ABRASIVE HAND-WASH GEL WITH SOLVENT
HAUTE PERFORMANCE

100% natural-based abrasive
(cellulose and pumice)

7 good reasons for using GELOROUGE

1. GELOROUGE is a particularly active abrasive solvanted gel for cleaning of hands **heavily** soiled by : sludge oils, glues, grease, brake dust, tar, fresh paint, etc.
2. Contains a mix of **100% natural-based** abrasives (cellulose, pumice).
3. For **thorough** hand cleaning.
4. Contains **hydrating** agents (glycerine and Aloe Vera) which respect the epidermis.
5. Formulated with a well-chosen solvent to reduce the solvanted odour of this type of product.
6. After rinsing, leave hands soft after use.
7. Non-aggressive formula.

Particularly suitable for use in

Construction

Public buildings

Transport

Can be used for cleaning heavily soiled hands in workshops, construction sites, garages, maintenance departments, printing plants...).
