

NET ACTIF

DEGREASING CLEANER

7 good reasons for using NET ACTIF

1. Multi-purpose degreaser with surfactants, **water**-soluble.
2. Fast-acting and leaves no **residues**.
3. Sulphur, potassium and phosphate-**free**.
4. Wetting effect with superior **penetrating power** and **filmogenic**.
5. Inert to fully cured paints and most materials, plastic, aluminium,... and comfortable to use due to low odour.
6. Can be used on **ultrasound machine**.
7. **Non-flammable**. Can be used at temperatures up to 50°C.

Particularly suitable for use in :

Industry

Construction

Garages

Cleans stubborn soiling, including fuel oil and atmospheric pollutants.
Recommended for cleaning polyester laminate panels.
Restoration: restores treated surfaces to their original cleanliness.
Can be used in FONT'INOX degreasing fountains.
Can be used in soak tanks.

Characteristics		Instructions for use
Composition: Hydro-alcoholic solution of surfactants and alkaline salts Appearance: blue liquid Density: 1.025 ± 0.025 pH: >12 Packaging: 60l, 210l and 1000l For more information, see MSDS.		Always used diluted in water according to application and level of soiling. Dilution in hot water accelerates degreasing. <u>In FONT INOX fountains</u> Dilute with 70% water for hot degreasing, let stand for a few minutes, brush lightly to enhance penetration. Optimal temperature 38/40°C (100-104°F). No rinsing required. <u>Bath/soak tank</u> Dilute with 70-95% water depending on soiling. Let stand for a few minutes, no mechanical action needed, rinse with clean water under light pressure. Due to the product's degreasing effect on skin, wear gloves during prolonged use.
