

NET DKAP

**DEGREASING ALKALINE DETERGENT
FOOD-GRADE**

7 good reasons for using NET DKAP

1. Heavy-duty all-purpose degreaser for **industrial and food transportation** use.
2. Specially formulated to optimize **wetting** and **penetrating** power.
3. Exceptionally **effective** on heavy, deeply embedded soiling and equipment covered with vegetable, synthetic and mineral oils, baked-on grease, tannins, plant deposits and residues, organic scale,
4. High-performance degreaser for use with pressure washers and hot water equipment.
5. Safe on most **materials** and fully cured paints.
6. Phosphate-free formula with **biodegradable active agents**.
7. Complies with legislation on cleaning products for equipment which may come into contact with **foodstuffs** (Decree dated 08/09/1999 and its amendments).

Particularly suitable for use in

Public buildings

Transportation

Industry

Food Processing

Ideal for cleaning refrigerated transport vehicles, agricultural equipment (harvesters, sulphate spreaders, self-propelled sprayers, tractors, ...), tanks, trailers, rail equipment, food processing industries (processing facilities, slaughterhouses,...),

Characteristics	PULV PRO IV	Instructions for use
<p>Colour: blue lagoon Density: 1.07 ± 0.005 pH (5% in water) > 13 Odour typical <u>EC Regulation N° 648 :2004</u> Final biodegradability of surfactants meets detergent regulation criteria (EC) n°648/2004 Content labelling: Less than 5%: non-ionic surfactants</p> <p>Packaging: 60l, 210l and 1000l For more information, see MSDS.</p>		<p>NET DKAP is concentrated, so dilute with 95-98% water with pressure washing, with 80-95% water for soaking depending on level of soiling. In a food environments, rinsing with drinking water is mandatory. <u>When spraying, apply the solution from bottom to top then rinse.</u></p> <p><u>Precautions for use:</u> Product for professional use only, refer to the safety data sheet which is available on request. Personal protective equipment is obligatory: gloves, goggles, mask and protective apron. Very alkaline product, carry out a spot test on paintwork and fragile materials.</p>
