

# SYNER J

**POWERFUL SOLVENT BASED DEGREASER  
FOR SPECIFIC CLEANING**

## 7 good reasons for using SYNER J

1. SYNER J is a **powerful** solvent-based degreaser for specific cleaning.
2. For floor cleaning with **various** and **stubborn** stains (mineral or vegetable grease, soil, tar....).
3. **Dissolves**, penetrates, emulsifies oils and grease, a wide range of stains.
4. **Refreshes** plastic surfaces such as: benches, chairs, tables, window frames, doors....
5. Can be applied to common materials **without spoiling them** (Tiles, glass, plastic, painted surfaces...).
6. For the removal of marks (resins, rubber...) on **sports** floor coatings, doesn't attack the coating.
7. Does **not foam**.

## Particularly suitable for use in

Public buildings

Transport

Industry

Cleaning and maintenance of garage and workshop floors.

For the removal of marks (resins, rubber...) on **sports** floor coating (wood, resins, TeraFlex...), doesn't attack the coating colour and characteristics.
