

D TERP+

EMULSIFYING ENGINE DEGREASER
DE-TARRING PROPERTIES

7 good reasons for using D TERP+

1. Has very powerful **degreasing properties**. Dissolves grease and oils on all surfaces.
2. **Economical**, dilute 1 part DTERP+ 10 10 parts water.
3. once mixed, the solution turns into a smooth cream which allows for excellent **adherence** of the product on vertical surfaces.
4. Also **removes** most glues and inks.
5. Does not contain **chlorinated hydrocarbons or silicone**.
6. Doesn' t damage **paint or rubber**.
7. **Orange scented**.

Particularly suitable for use in

Industry

Construction

Transport

Institutions

For engine degreasing: cars, HGVs, public-work vehicles, agricultural machinery.

For cleaning chassis: HGVs, public-work vehicles, agricultural machinery, gearboxes and shock-absorbers.

For descaling turbo engines.

Technical Specifications	JUMBO 9	Instructions fo use
Composition: hydrotreated distillate and ter-pene solvents Colour: colourless to slightly yellow Flash point: 61 °C For more information, see MSDS.		Always use diluted in water: 1 part D TERP+ for 10 parts water. Using our JUMBO sprayer or a high pressure cleaner, spray the solution on the entire surface to be degreased. Leave on for 10 to 15 minutes depending on the amount of dirt, rinse off with a high pressure spray.
