NET MAX

ALL-PURPOSE DEGREASING DETERGENT

7 good reasons for using NET MAX

1. NEXT MAX provides **deep** cleaning for floors, emulsifying the toughest grease and oils.
2. Removes greases, waxes, inks and all other stubborn deposits.
3. **Water-soluble.**
4. **Economical**: diluted 2 - 10% depending on application.
5. Can be used in auto-scrubbers, pressure washers, soaking tanks or spraying - always apply bottom to top to avoid seaking.
6. Suitable for **HACCP** 5-point degreasing protocols.
7. Complies with legislation on cleaning products for equipment which may come into contact with **foodstuffs** (Decree dated 08/09/1999 and its amendments). Rinsing mandatory.

Particularly suitable for use in

Industry | Transport | Agri-Food Industry | Food service trades

Ideal for cleaning deep fryers after draining and for hood filters.
For thorough cleaning of hobs, ovens and stoves, effectively removing carbonized residues, old driued grease layers and grease anchored to surfaces. Ideal for kitchens, cafeterias, hotels, restaurants, fast-food estabkishments, ovens, rotisseries and bakeries.

In industrial/mechanical applicaion: for saw blades, drill bits and milling cutters.

Also suitable for removing wallpaper and posters.

Technical Specifications		**Instructions for use**
Physical state: Liquid Colour: fluorescent yellow pH (pure product): 12.90 ± 0.010 Density: 1.026 at 20°C Flash point: None Composition: Not ionic surfactants, sequestrants, oxygenated solvent, corrosion inhibitors, alkaline mineral salts. Packagings: 60l, 210l and 1000l For more information, see MSDS.		<u>When spraying, apply the solution from bottom to top then rinse.</u> **For immersion or spraying** Dilute to 2-10% concentration depending on the level of soilings. Spray macgine or surface to be cleaned ensuring complete product coverage and let stand for a few seconds. Wipe and rinse. **Auto-scrubber** Dilute to 2-10% concenration depending on the level of soiling. **Pressure washer** Dilute to 2-10% concentration at lance outlet depending on the level of soiling. **Wearing gloves and safety glasses is strongly recommended during product use. NET MAX may stain glass and anodized aluminium.**
